

PRICE LIST

Valid from May 1 2011

Child, Adolescent and Autism Behavior Toolbox Licensing

Licenses are for an initial 3 year term which are then renewable annually.

A school license gives all teachers, support staff and administrators unlimited access to the behavior software at school and at home, from any PC or MAC with Internet access. A practice license covers 2 partners on the same basis.

School licenses are determined by school size with small being less than 250 students and large more than 250.

School and Practice 3-year License Price List
